THE AIM

The intention of Golden Goal Demonstration Events is to inform an interested public in the education sector about the outcomes of the Golden Goal project. It is understood as an appetizer for national educational organisations and adult education providers to use the basic and social skills training concepts from Golden Goal ("Basic Skills Training for Young Disadvantaged Adults in Combination with Sport Activities") in their work.

Co-operating partners & multipliers

- ◆ Ministries of Labour, policy makers
- ◆ Labour Exchanges
- ◆ National football associations as well as the
- ◆ Target groups (users of the project results and products)
- ◆ Basic skills providers and their trainers and tutors: they will have free access to new basic skills training concepts.
- ◆ Key actors for lifelong learning and basic skills training policies.
- ◆ National and European basic skills programmes, initiatives and networks.
- ◆ Social partners: The project partnership also includes social partners from various European countries.
